- 11 Tri-Cycle Bike Drop Off
- Porta Johns

## FINISH

10:30 AM  
Expected First Professional Male to Finish

10:45 AM  
Expected First Professional Female to Finish

The DC Triathlon provides a gear check service on race day. The gear check drop-off location is adjacent to the entry for the swim start. This way all athletes can keep their clothes, shoes, etc until just before they get into the water. Drop off your race day bag to us at the U-Haul trucks marked with your specific event just before you get into the water and we'll bring it to you at the finish line.
